Gentlemen:

All of the above elections were held prior to the calendar year 2000, I was not elected and did not serve in any elected public office during the calendar year 2004. I have not received any additional contributions nor have I made any loan repayments.

Please note your files that no supplemental report will be filed as to these elections, since none are due. If any question arises as to whether I need to file any report on these elections, please notify me and I will file a no change report for each election.

Very truly yours,
